

The Stube

german • casual • drinks • dinner

What does STUBE mean?

Well, two things actually. In German stube means both a living room and a cozy restaurant that serves beer. Our building is the original station master's house for Palmer Lake and it was built in 1883. So, unless you are enjoying our lovely patio, you are probably eating in the station master's stube, which has been turned into a cozy beer-serving stube as well! Enjoy!

small bites
